6. AFFIRMATION OF OFFICE BY COUNCILLORS

Councillors to stand and read:

I solemnly and sincerely declare and affirm that I will undertake the duties of the office of Councillor in the best interests of the people in the municipal district of the Pyrenees Shire Council and faithfully and impartially carry out the functions, powers, authorities and discretions vested in me under the Local Government Act (1989) or any other Act to the best of my skill and judgement.

7. 2018/2019 MAYOR'S REPORT

Mayor's Report is attached (Attachment 7.1) to this Agenda and presented by the Interim Chair on behalf of the Mayor.

Good evening everyone,

I would firstly like to express or relate my pleasure in working with a group of progressive and respectful Councillors. Our ability to be able to deliberate over contentious issues is a special ability. It is unique to our Council and one to be treasured. Let's not ever let the standard fall.

I personally thank Jim, Kathy and Douglas. Senior staff have not only the responsibility of making sure that Council functions in the desired manner but also provide advice to Councillors in the direction that is expected mostly by the wider community. It is not always the case but Councillors always have the final decision so the responsibility lies with them at the end of the day. I would also like to thank Jane Bowker who keeps me, as Mayor, grounded and assists me in a manner which makes my role so much easier.

Being Mayor in an election year has its benefits when it comes to funding. Significant projects such as the Snake Valley Female Friendly Facility, Snake Valley Skate Park, Straw Pellet Project, East Grampians Pipeline, to name a few, are coming to fruition which is really exciting. Securing funding for the Lexton Community Hub and our road network are a great achievement. It is disappointing that we haven't secured funding for the Moonambel Water Supply but rest assured we won't give up.

Turning the tables, it is pleasing to be able to provide community grants to local community groups and organisations. Our community groups do a wonderful job and a big thank you to all the volunteers who work tirelessly. Your efforts are congratulated.

Highlights for me have been attending the National Roads and Infrastructure Conference in Alice Springs, the National Local Government Conference in Canberra, official opening of the Crowlands Wind Farm with a delegation of 24 people from China and visits to Ministers in State Government to advocate for projects for the betterment of our communities. I get a great deal of pleasure in networking with other local government leaders.

In the Mayoral role I get the opportunity to work with the community members directly and I thank them for the respect they have shown me in the role of Mayor. It is fair to say that things mostly travel well but not always. Councillors have the ability to close ranks, make their thoughts known respectfully and move on which makes the Mayor's role so much easier.

Council's strong financial position continuing to be debt free is a credit to Council staff for their hard work and dedication.

Thanks to my backstop, Jan, for her full support during a busy time. She spent many quiet nights on her own. Thank you Jan. I also thank my children for their ongoing support.

I apologise for my absence this evening. My indulgence in promoting the Pyrenees to China was a once in a lifetime opportunity not to be missed. Let's hope it opens doors for Pyrenees to be internationally recognised as a fantastic place to live and invest in.

8. ELECTION OF MAYOR 2019/2020

- 8.1 Interim Chair to invite nominations for position of Mayor for 2019/2020
